

Privacy Policy

The policy that follows explains the data processing we do and how we do it. If you have any queries on our use of information, please contact us.

We will always use our best efforts to safeguard your privacy. We are fully registered under the Data Protection Act. GMS Security Services Limited is the data controller.

- **Site usage**
By using this site, you consent to our collecting data about you, using it and also contacting you in certain ways. This Policy applies only to our site and not to any sites to which we show links.

What do we use the information for? – We want to give our users the best possible service. We may therefore use the data gathered to contact you to check this is the case. You agree that it may be used to advise you by phone or email of service we or carefully selected partner businesses offer. We keep the information for records, audit and Financial Service Authority reasons and may make paper copies of any of it.

What information do we collect? – We collect the information necessary to provide the service you request. We will collect your name, phone number your email address and any other information if you provide it to us. By the nature of this site, we collect personal information to enable us to advise you.

- **Cookies** – A cookie is a small text file written to your hard drive that contains information about you. Cookies do not contain any personal information about users. We use cookies only to check if you are someone who has visited the site before. If you do not wish to allow this use, you can change the settings on your browser to disable them. We will not sell your data to anyone other than a replacement owner of this business and then only in accordance with financial services industry rules and data protection laws.
- **User name and password** –The user name and password is personal to you and is not transferable.
- **Notification of Changes** – If we decide to change our privacy policy, we will post those changes on this page so our users are always aware of

the information we collect and how we use it. If at any point we decide to use personally identifiable information in a manner different from that stated at the time it was collected, we will notify users by way of an email. Users will have a choice as to whether or not we use their information in this different manner. We will use information in accordance with the privacy policy under which the information was collected.

- Links – Where links are provided to other websites it should be noted that they are not and cannot be governed by our Privacy Statement. We cannot guarantee your privacy when you access other websites through any link provided on this website.
